Verse 1:

I got a new currency, it's called Ergo  
Blockchain-based, it's gonna be the next big thing, yo  
Built on a foundation of pure mathematics  
This crypto's gonna make the world go automatic

Chorus:

Ergo, Ergo, it's the way to go  
Crypto that's safe, secure, and on the go  
Ergo, Ergo, it's the future now  
Join the revolution, let's all get down

Verse 2:

Ergo's got smart contracts, that's the way to go  
Decentralized finance, let the money flow  
Privacy's the key, and Ergo's got it right  
The transactions are anonymous, it's out of sight

Chorus:

Ergo, Ergo, it's the way to go  
Crypto that's safe, secure, and on the go  
Ergo, Ergo, it's the future now  
Join the revolution, let's all get down

Verse 3:

The mining's eco-friendly, no need to worry  
Proof of work, proof of stake, Ergo's got the hurry  
Low transaction fees, that's what we need  
Ergo's gonna be the one, we can all agree

Chorus:

Ergo, Ergo, it's the way to go  
Crypto that's safe, secure, and on the go  
Ergo, Ergo, it's the future now  
Join the revolution, let's all get down

Outro:

So come on, join the party, let's all get rich  
Ergo's the future, it's the ultimate pitch  
The currency of the future, it's the way to go  
Ergo, Ergo, let's all make some dough!
